part1 班主任寄语

目标既定, 赢在行动

第一次月考仿佛犹在眼前,高二第一学期的段考已经迫在眉睫。我们每一位同学都在 家长的指导下,总结了月考的成绩,制定了后期的学习目标和行动计划。

目标既定,赢在行动。心动不如行动,谁能够将计划很好地贯彻在落实行动上,谁就能够抢占先机。赢就一定是赢在行动上。5 班的很多孩子都在家长的指导下,有针对性地积极行动起来,针对个别科目听课比较困难,强化课前预习,利用周末练习巩固;针对优势科目不优,确定提优措施。数学、物理、化学、英语四科老师也推荐了书目,供大家参考。一部分优秀的同学将从本周开始,周日下午集中学习。一切行动都是为了既定目标,人间自有公道,付出才有回报,只有汗水才能浇灌出胜利之花!

本周周末作业检查,比前几周的情况好了许多,但每个学科总还有几个同学不能如质如量完成,拜请各位家长辛苦,没有特殊原因,请督促完成。

Ⅵ.短文改错

I was shocking to know that our local railway line is to be closed at the end of year. The line has served us for many years, and generation of people have used it for journeys to and from work and school. If a line closes, countless students will have to cycle or walk to school, while at present the train takes them there every other 30 minutes. The twice-daily bus service, that covers this route, is not satisfactory. The journey takes much long and the fare is double it of the train. Finally, the line provides work for many local people, and brings tourists to our town, help our businesses and shops economically. However, I think the line should stay open.
